BNPP AM WON 'ESG ASSET MANAGER OF THE YEAR' AT THE LE FONTI AWARDS

BNP Paribas Asset Management has received the 'ESG Asset Manager of the Year' award at the 2018 Le Fonti Awards ceremony in Italy.

The winners were selected by *Le Fonti's* scientific committee, made up of professors, trade association representatives and entrepreneurs.

The selection criteria take into account business results, leadership in the sector, strategic development, internationalisation, high quality services, sustainability, innovation and education.

BNP PARIBAS ASSET MANAGEMENT was awarded with the 'ESG Asset Manager of the Year' prize and the following statement was delivered during the ceremony:

"For having been able to focus on sustainability and social responsibility before they became an established trend of the asset management industry. For having pioneered a cultural change, confirming how the attention to natural resources and ethical choices is successful even for investments"

["Le Fonti" award](#) is part of [IAIR](#) International awards. Each June, the financial sector award ceremony is held in Italy.

The value of investments and the income they generate may go down as well as up and it is possible that investors will not recover their initial outlay. Past performance or achievement is not indicative of current or future performance. Investors should ensure that they are fully informed about the sub-funds, classes and sub-classes of shares that are authorised to be marketed in their country of residence and the constraints applicable in each of the countries.
