# SIB wins Le Fonti 2021 Award for Innovation and Leadership in trademark and patent counsel

Società Italiana Brevetti has received the Le Fonti 2021 Award for Innovation and Leadership in trademark and patent counsel at the Le Fonti Awards event of 1 July 2021 in Milan.

The award recognises SIB as a leading intellectual property firm based on its record of excellence, innovation and quality of service and counsel to clients in trademark and patent matters.

The award was accepted in SIB's name at the event by Marta Manfrin (<https://www.sib.it/en/our-team/marta-manfrin-italian-european-patent-attorney/>), European patent attorney with two decades of experience advising Italian and foreign highly innovative companies.

Heartfelt thanks to the Le Fonti (<https://www.lefonti.tv/le-fonti-awards/>) business community for this recognition.
